#### **BFN STATE NEWS:**

- BASS is changing back to a 5 divisional format versus the current 3 regional format.
- 2020 State Schedule:
  - Mr. Bass March 28/29 on Gaston – Holly Grove
  - Chap Team May 2/3 on Kerr – Occoneechee
  - Fall Classic October 3/4 on Kerr – Occoneechee
  - State Championship November 14/15 TBD

**TBF NEWS:** Only one TBF club left in Region 7 – Green Horn. Lou Hughes therefore will be TBF Director for Region 7. FLW is selling out of MLF. We don't know what effect the merge will have on TBF.

- **UPDATE: December. Unfortunately Green Horn has folded. There are no longer TBF clubs in Region 7. Region 7 is now a Bass Nation of Virginia region.**

**YOUTH:** At this time, the typical youth events are scheduled for the first Saturday in June at Munden Point and first Saturday in October at Munden Point. However, the DGIF made the last Saturday in September a free fishing weekend so the VB Parks & Rec moved the Youth event to the last Saturday in September. We are hoping that will be the case again in 2020 since Fall Classic is scheduled for the first weekend in October 2020. We don't know yet if Chesapeake will be scheduling a youth event. That is typically scheduled for the first Saturday in August at Northwest Campground. We hope to finalize the youth schedule soon.

**OLD REGION BUSINESS:** Motion to pay entry of team pulling trailer per tournament was made and seconded. The motion passed.

**NEW REGION BUSINESS:** The OPEN tournament out of Bob's Fishing Hole raised \$313 in the raffle. JP Scott and Greg Dick won 1<sup>st</sup> place. Congratulations.
